- in ANNUAL ECONOMIC ACTIVITY
- Boosting the local economy.

Heritage Pointe stands out as a model for affordable development that transforms lives. Completed in 2002, Heritage Pointe provides 49 units of award-winning affordable homes for low-income seniors. HOPE’s Connections to Care program ensures that residents have basic needs met, continue to exercise their mind and body, and remain socially connected. The program includes care managers who work one-on-one to ensure they are linked to appropriate benefit programs and have access to needed medical appointments and medications.

California’s long-standing housing crisis demands a comprehensive and sustainable plan to increase the supply of housing affordable to families struggling to get by. Increasing the supply of housing will not only stabilize families, it will create jobs and make California competitive again.

The Housing Affordability Crisis is Solvable
Lives have already been positively changed in your district by affordable developments. Everyone talks about California’s high cost of housing—this is the moment leaders like you can support bold solutions to do something about it.

Use your legislative power to invest significant state investment in housing to lift more of your constituents out of poverty and create a meaningful legacy you can be proud of.

Close the Gap
Developers have to pull together a complicated array of public and private funding sources to build affordable apartments. But, massive state and federal disinvestment in housing has left a huge and growing gap, making affordable home development less feasible.

FEDERAL and STATE INVESTMENT are ESSENTIAL
