Transforming Lives in Senate District 22

Since 1986, affordable-home developers in your district have worked through public-private partnerships and:

- **CREATED 7,644 CONSTRUCTION JOBS and 2,089 PERMANENT JOBS**
- **GENERATED $147 MILLION in ANNUAL ECONOMIC ACTIVITY**

Lifting families out of poverty. Putting constituents back to work. Boosting the local economy.

**Close the Gap**

Developers have to pull together a complicated array of public and private funding sources to build affordable apartments. But, massive state and federal disinvestment in housing has left a huge and growing gap, making affordable home development less feasible.

Transforming Lives in Senate District 22

California’s long-standing housing crisis demands a comprehensive and sustainable plan to increase the supply of housing affordable to families struggling to get by. Increasing the supply of housing will not only stabilize families, it will create jobs and make California competitive again.

El Monte Veterans Village stands out as a model for affordable development that transforms lives. The new three-story development in the City of El Monte will mean 40 studio apartments and 2,400 square feet of common and recreational space for service delivery targeting homeless Veterans.

As the first permanent supportive community for homeless Veterans in the area, El Monte Veterans Village addresses the growing rate of homelessness in a community that struggles with uniquely high rates of unemployment and special needs.

The Housing Affordability Crisis is Solvable

Lives have already been positively changed in your district by affordable developments. Everyone talks about California’s high cost of housing—this is the moment leaders like you can support bold solutions to do something about it.
