*in the*

## 36<sup>TH</sup> SENATE DISTRICT

Home is the foundation for life. All success begins with having an affordable place to live.

### Transforming Lives in Senate District 36

Since 1986, affordable-home developers in your district have worked through public-private partnerships and:

### CREATED

Putting constituents back to work.

### GENERATED

in ANNUAL ECONOMIC ACTIVITY  
Boosting the local economy.

**PASEO POINTE**

**Paseo Pointe stands out** as a model for affordable development that transforms lives. This 69 unit mixed-use affordable housing project with 3,300 sq. ft. of commercial space is located 1/4 mile south of the Vista Transit Center. Residents' needs have been carefully considered during site selection and building programming, ensuring a quality living environment for this community. Building amenities include a computer room, library, onsite management offices, commons kitchen, laundry room and outdoor courtyard with barbeques and adjacent tot lot.

This project was partially financed using Low Income Housing Tax Credits.

## FEDERAL *and* STATE

INVESTMENT *are* ESSENTIAL

### California's long-standing housing crisis

demands a comprehensive and sustainable plan to increase the supply of housing affordable to families struggling to get by. Increasing the supply of housing will not only stabilize families, it will create jobs and make California competitive again.

## The Housing Affordability Crisis *is* Solvable

**Lives have already been positively** changed in your district by affordable developments. Everyone talks about California's high cost of housing—this is the moment leaders like you can support bold solutions to do something about it.

Use your legislative power to invest significant state investment in housing to lift more of your constituents out of poverty and create a meaningful legacy you can be proud of.

### Close the Gap

#### Developers have to pull together

a complicated array of public and private funding sources to build affordable apartments. But, massive state and federal disinvestment in housing has left a huge and growing gap, making affordable home development less feasible.
