**Half Moon Village stands out** as a model for affordable development that transforms lives. This 2-phase, 160-unit affordable senior community is part the County of San Mateo's longtime vision to create an innovative 10-acre Senior Campus where seniors will live, socialize and have easy access to services and community resources. The goal is to create a continuum of care to address the high cost of living and health care on the coast for seniors on a fixed income.

The project was partially financed using Low Income Housing Tax Credits.

## FEDERAL and STATE

INVESTMENT are ESSENTIAL

### California's long-standing housing crisis

demands a comprehensive and sustainable plan to increase the supply of housing affordable to families struggling to get by. Increasing the supply of housing will not only stabilize families, it will create jobs and make California competitive again.

## The Housing Affordability Crisis is Solvable

.....  
**Lives have already been positively** changed in your district by affordable developments. Everyone talks about California's high cost of housing—this is the moment bold leaders like you can support bold solutions to do something about it.

Use your legislative power to invest significant state investment in housing to lift more of your constituents out of poverty and create a meaningful legacy you can be proud of.

### Close the Gap

#### Developers have to pull together

.....  
a complicated array of public and private funding sources to build affordable apartments. But, massive state and federal disinvestment in housing has left a huge and growing gap, making affordable home development less feasible.
