**Edenvale stands out** as a model for affordable development that transforms lives. Edenvale Special Needs Housing is an attractive two-story apartment building set around a courtyard. The 15-unit development is for adults living with developmental disabilities. Housing Choices Coalition (HCC) provides on-site services and support for the residents. The development is surrounded on three sides by Eden Housing's 145-unit affordable family development, which promotes independence and encourages Edenvale residents to interact with the surrounding community.

Edenvale was partially financed using Low Income Housing TaxCredits and the Mental Health Services Act Housing Program.

**Lives have already been positively** changed in your district by affordable developments. Everyone talks about California's high cost of housing—this is the moment bold leaders like you can support bold solutions to do something about it.

Use your legislative power to invest significant state investment in housing to lift more of your constituents out of poverty and create a meaningful legacy you can be proud of.
